**"God's people needs our prayer" 2 Corinthians 1:11**

**as you help us by means of your prayers for us. So it will be that the many prayers for us will be answered, and God will bless us; and many will raise their voices to him in thanksgiving for us. (GNT)**

Ron Lawer is a missionary working under DOOR as International Translation Project Manager since 2015. He used to be working closely with Deaf Harbor to develop the Chronological Bible Translation (CBT) where he found his calling to do the work for the Lord as he had felt a burden to see many Deaf people to understand God's word by using their own language, ASL. He currently has been transferred to a new position to International Translation Project Manager which he is working with DOOR Translation teams all over the world, developing some budget plans, supporting the teams to reach the goal, and making sure all support services for the team are provided for. He had the opportunity to visit some of the teams recently in the South Asia area.

He is married to his bride, Lauren, for 24 years and they have two grow-up children, Natasha and David-James.
